

MEMORANDUM OF UNDERSTANDING
BETWEEN
NATIONAL YUNLIN UNIVERSITY OF SCIENCE AND TECHNOLOGY, TAIWAN
AND
CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

California State Polytechnic University, Pomona (Cal Poly Pomona) and National Yunlin University of Science and Technology (YunTech) both recognize the importance of global awareness and competency in the world today. They also recognize that universities operate in a global environment, and that international dimensions and perspectives are essential components of a steadily increasing number of academic disciplines. Similarly, global understanding is an integral part of contemporary university life that prepares students for the global workforce as well as to become informed citizens in their respective communities, nations and in the world.

In this spirit, Cal Poly Pomona and YunTech agree to cooperate in exploring the possibility and feasibility of collaboration in development of specific programs and educational initiatives for university students, faculty and administrators. This MOU constitutes a basis for a collaborative relationship between the two entities.

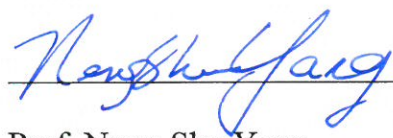

Cal Poly Pomona and YunTech look forward to the opportunity to expand their mutually beneficial relationship and to promote the objectives set forth in this MOU, which is valid for five years. While this MOU does not impose any commitments binding on the parties, the parties enter into this agreement in recognition of their common interests and as a token of their goodwill.

For Cal Poly Pomona

For YunTech
