AND
OSAKA INSTITUTE OF TECHNOLOGY, JAPAN**

National Yunlin University of Science & Technology and Osaka Institute of Technology desire to develop cooperation and exchange in education and research between the two institutions agree as follows:

1. Based upon the principle of respect for each other's independence and of mutual benefit, the two institutions will carry out the following activities but not limited to:
 - a) Exchange of students
(e.g.) Course attendance, research work, project-based learning program, study tour, and cultural experience program.
 - b) Exchange of professors, researchers and staff
 - c) Joint research activities
 - d) Exchange of scientific materials, publications and information
2. Both institutions agree that this Memorandum of Understanding (hereinafter called MOU) is incorporated into, and will provide the foundation and framework for, projects developed by academic and administrative units from the two institutions and documented in other subsequent Agreements.
3. This MOU may be revised or terminated upon mutual consultation and consent between the two institutions.
4. Nothing in this MOU shall be construed as being legally binding.
5. All information and or data that may be exchanged, acquired, and shared in connection with the area of cooperation between both institutions pursuant to this MOU shall be treated strictly confidential and shall not under any circumstances be divulged by the receiving party unless otherwise the same has already been in the public domain.
6. All exchange students and academic staff shall adhere to the export control policies of each country and shall not utilize any technologies or items that they acquire at either institution for military purposes in the future.
7. This MOU becomes effective from the day when representatives of the two institutions affix their signature and is valid for five (5) years. This MOU is renewed automatically as long as neither institution gives notice of termination to the other six (6) months prior to the end of the five (5) year term.
8. This MOU is executed in a set of two copies and each institution retains one copy.
