

AGREEMENT

for Educational and Scientific Cooperation between
College of Engineering, National Yunlin University of Science & Technology
and
Graduate School of Global Environmental Studies, Kyoto University

College of Engineering, National Yunlin University of Science & Technology and the Graduate School of Global Environmental Studies, Kyoto University join in the following agreement in order to promote mutual cooperation for education and scientific research in the field of environment management.

1. The two parties will promote in particular the following activities:
 - [1] Exchange of scientific materials, publications, and information
 - [2] Exchange of faculty members
 - [3] Exchange of students
 - [4] Joint research and meetings for research
2. These activities are to be carried out after mutual consultation between the two parties or the divisions concerned thereof.
3. All financial arrangements to pursue any of the above activities are to be negotiated for each specific case.
4. The two parties agree that, in the event of research collaboration leading to patent rights, copyrights and other intellectual property rights, a further agreement must be negotiated in each case in accordance with the policies of the two parties on intellectual property.
5. Amendment of this agreement is to be effected upon deliberation by the two parties.
6. This agreement shall be effective upon signature by both parties and shall remain in force for a period of five years. Thereafter it shall be automatically renewed from year to year.
7. Termination of this agreement is to be effected upon deliberation by both parties. However, after the initial period of five years, either party may terminate the agreement at the end of a given year by giving six months notice in writing of such intent.

8. This agreement is established in English.
