

MEMORANDUM OF UNDERSTANDING
FOR COLLABORATION IN RESEARCH AND EDUCATION
BETWEEN
NATIONAL YUNLIN UNIVERSITY OF SCIENCE AND TECHNOLOGY,
TAIWAN
AND
RITSUMEIKAN UNIVERSITY, JAPAN

National Yunlin University of Science and Technology (Taiwan) and Ritsumeikan University (Japan) hereby sign this agreement to promote the mutual development of their academic, research and educational activities.

1. National Yunlin University of Science and Technology and Ritsumeikan University (hereinafter, both parties) will cooperate for research and investigation within the range acceptable for their respective regular activities.
2. Researchers of both parties will cooperate for general education and specialized professional programs such as the international training course on the conservation and risk management of cultural heritage.
3. Researchers of both parties will cooperate and exchange about research, investigation and training of conservation and risk management in order to promote international protection of cultural heritage.

This agreement will be effective from the date of signature for an initial period of 3 years. Thereafter it shall be automatically extended for an additional period of 2 years at each expiration date unless any of the parties provides a written notice to terminate the agreement a minimum of six months prior to the expiration date.
