

MEMORANDUM OF UNDERSTANDING

Between

National Yunlin University of Science and Technology (Yunlin, Taiwan)

And

Rajiv Gandhi Institute of Petroleum Technology (Rae Bareli, Uttar Pradesh, India)

National Yunlin University of Science and Technology, which is located at 123, University Road, Section 3, Douliou, Yunlin, Taiwan, and Rajiv Gandhi Institute of Petroleum Technology, which is located at Rae Bareli, Uttar Pradesh, India, wishing to develop academic and cultural interchange between the two institutions, agree to formally establish the collaborative relationship. Subject to mutual consent, the provisions are as the following:

Article I.

The area of collaboration includes any program offered by either university in which the two institutions believe the collaboration is feasible and desirable and which would develop and enhance a mutually beneficial relationship between the two universities.

Article II.

Subject to the approval of the President/Director of each institution and the availability of funding, assistance shall be carried out through any one or more of the following activities or programs:

- i.** Student Exchange Program
- ii.** Faculty Exchange Program
- iii.** Special Short-term Academic Programs
- iv.** Staff Development Projects
- v.** Joint Researches and Activities

Article III. Effective Period of the Memorandum

This cooperation agreement shall become effective as soon as the President/Director of both sides sign on it, and will remain in force for a period of five years. Any amendment to this MOU shall be based on mutual consent and will require a written approval of the President/Director of each institution and shall be appended hereto. Either party reserves the right to terminate this agreement upon a one-year prior written declaration to each other. The afore-mentioned declaration will thus become effective with the agreement of both parties.

Dr. Yeong-Bin Yang

President

**National Yunlin University of
Science and Technology**

Dr. J.P. Gupta

Director

**Rajiv Gandhi Institute of Petroleum
Technology**
